Mandatory and Voluntary Deductions: Basic Insurance Deductions

Executive Summary

The Commonwealth provides through the Group Insurance Commission (GIC), programs of group life, health, long-term disability insurance and dental/vision coverage for state employees. These insurance programs are voluntary and deductions are authorized by the employee. Employees who work at least half-time (18.75 hours or 20 hours weekly) are eligible for these programs. Employees are required to furnish GIC with all necessary information to enroll themselves or dependents under these programs.

Considerations

This policy applies to all Commonwealth Branches and Departments.

Policy

Authorization for insurance deductions may be terminated by the employee as long as the employee gives at least sixty days notice in writing to his/her GIC Coordinator. An employee may terminate his/her health insurance coverage, but cancellation of Basic Life Insurance will automatically terminate health and any Optional Life Insurance as well.
