RE: FY2018 Consolidated Net Surplus

Dear Treasurer Goldberg:

The purpose of this letter is to provide information on FY2018 year-end transfers and payments arising from the calculation of the Consolidated Net Surplus.

The Commonwealth's reviewed financial statements – Statutory Basis, for FY2018, were filed with the Clerks of the Senate and the House Representatives on November 6, 2018.

Section 65 of Chapter 273 of the Acts of 2018 authorizes the disposal of the consolidated net surplus in the budgetary funds for fiscal year 2018 and further authorizes the transfer of any remaining amount of the Consolidated Net Surplus to the Stabilization Fund.

As of June 30, 2018, the Commonwealth reported a Consolidated Net Surplus of \$229,285,776.20 in the four active budgeted funds included in the surplus calculation (the General Fund, the Commonwealth Transportation Fund, the Gaming Local Aid fund, and the Marijuana Regulation Fund). Pursuant to Section 65 of Chapter 273 of the Acts of 2018 prior to disposing of the Consolidated Net Surplus the following amounts are to be distributed as shown below:

- \$10,000,000 payment from the General Fund to the Massachusetts Life Sciences Investment Fund at the Massachusetts Life Sciences Center;
- \$10,000,000 transfer from the General Fund to the Massachusetts Community Preservation Trust Fund.

The remaining balance or \$209,285,776.20 is then to be transferred to the Stabilization fund for FY2018.

The total FY2018 ending balance in the Stabilization Fund was \$2.001 billion, an increase of approximately \$701 million from the FY2017 ending balance of \$1.301 billion. A detailed schedule of the final transfer calculations and all FY2018 year-end Stabilization Fund transfers is attached – see “Calculation of Transfers: Stabilization Fund, June 30, 2018”.

If you have any questions about these calculations, or the reviewed financial statements in general, it would be my pleasure to meet with you.

Sincerely,

Thomas G. Shack III  
Comptroller of the Commonwealth
